

HOLY COW!

***How to Create an Amazing Workplace
that Steers Passion, Performance and Prosperity***

Brand NEW
Book!
Available
1/31/17

HOLY COW! is for every person who has said, “Is it time to go home yet?” It is for every individual who feels like work is no fun and is consumed with unlimited issues—big and small—that impact you more than you want. Don’t sit back and again scream, “Holy crap! This place sucks!” Instead, learn, love and live the strategies in this book, and soon you’ll be proudly proclaiming, “This is a ***HOLY COW!*** Workplace.”

I know what you’re thinking. The voice inside your head is saying, “This is *deja moo*”—you’ve heard this *bull* before. I understand your hesitation. This book is different. It clearly outlines specific strategies to create positive change in the workplace that make a real and lasting impact.

Transformational change like this begins with one small step, from one individual person, at one point in time. *This is not just a leadership function*; it is the role of every single person. Make the time now to initiate the change you want to see.

You know you can’t change other people, but ***HOLY COW!*** will help you make positive behavior changes that will *udderly* enhance your level of passion and performance—benefitting you, your team, and your organization’s prosperity.
